

People normally call me Diogo,
known formally as José.
Ambicionist && fun is how I
describe myself, a men with a
dream, who will getIt() or
dye.trying.

I'm a never quitter that see
obstacles as my PATH, they
made me who I am.

I will do everything striving for
the best, and i will motivate
everyone with me with the
same porpose with achiving
is best!
